

40th Anniversary Gala Chef Corps

Sunday, October 6, 2019

Help us make (and celebrate) history on Sunday, October 6, as we feature 40 chefs and other luminaries using food to move people forward. With your help, our 40th Anniversary Gala will raise a record-setting \$1 million to provide over 2.5 million meals to DC area neighbors facing hunger. Please consider donating a taste of food that moves you and allow us to share stories of how you are moving the community forward.

Help Make History

You delight groups of people with food every day. By joining other community-minded chefs in the Gala Chef Corps, you can use food to touch 400,000 lives as well. We'll make you a prime feature in front of 700 prominent business, government, and community leaders before, during, and after the Gala. Please consider donating one of the following:

- 700 savory or sweet tastings linked to your personal story, the DC people, or our mission
- 700 custom cocktails or other beverages

Enjoy Accolades and Tangible Benefits

Engage an influential audience, test new menu items, help people experience how food and culture go hand-in-hand, and give back to the Washington metro community. Regardless of what moves you to participate, please join what the Washingtonian has consistently ranked as one of the area's premier charity events. You will also enjoy the following:

- Opportunity for live media interviews featuring your story and your food
- Professional photography you can use to promote personal or professional interests
- Prominent listing in event program and on event signage
- Dedicated blog highlighting your contributions to the community in DC and beyond
- Featured listing on 40th Anniversary website linking to your restaurant or other website
- Social media shout out (and tag) to our 30,000+ followers
- Modest honorarium in recognition of your investment of time and resources

Call Megan at 202-644-9882 or visit capitalareafoodbank.org/Gala for more details and sneak peaks of our 40th Anniversary Gala

All Proceeds benefit the Capital Area Food Bank—the anchor of the region's hunger relief infrastructure. We provide food to DC Central Kitchen, Martha's Table, SOME—So Others Might Eat, Manna, Food For Others, and over 450 other partners in DC, Maryland, and Virginia.
